

A GENERAL REPORT

(Statistical and Financial)

OF THE

SHEFFIELD CONFERENCE.

OF THE

CHURCH OF JESUS CHRIST OF LATTER-
DAY SAINTS,

For the Year, 1854.

In consequence of a false misunderstanding existing relative to some money matters, when Elder M. Rowan succeeded Elder W. Glover in the presidency of this conference, it was deemed expedient to have a General Council Meeting of all the Presidents of branches in order thoroughly to investigate the matter, and to put it in such an order, as would give justice, and, if possible, satisfaction to all concerned.

By order of President Rowan the Meeting was convened in the Barn Saloon, Via via St. Sheffield, at Half-past 10 a. m. on Sunday the 22nd. of January, 1854; present—15 Presidents of Branches, 5 Elders, 5 Priests and 1 Deacon. The Conference Clerk, James C. Sandersen, was absent, and as he had been negligent in his calling for some time past, Elder Rowan said he must have a man that he could depend upon discharging the duties of conference Clerk—one that would take an interest in such. Moved by Elder Raper, Seconded by Elder Wm. Memmott, that J. C. Sandersen be relieved from the office of Secretary for the conference. Carried. Moved by Elder Raper and seconded by Elder S. Perks, that Elder John Memmott take to the office of Secretary for the conference. Carried. Elder Rowan stated that the meeting was duly opened, and, after making some very appropriate remarks on the nature of the case, he counselled the brethren to speak their minds **FREELY** upon any subject

that might be introduced for their consideration, that, thereby, we might gain a proper understanding of the business which had occasioned our coming together. He called upon all who had bills chargeable to the conference to hand in, to do so, in order to see how much the Conference really owed.

Elder Bunker introduced the case of Sister Barreclough; she had a right to something for her lodging and boarding Elder Glover and other Elders that changed to call at her house. Elder Roper wanted to know whether the £2 11s. 0d paid by the Sheffield Branch was acknowledged as part of what Elder Glover had paid this quarter. This question no one present could answer.

Moved by Elder Bunker, and seconded by Elder Pointon that a committee of three be appointed to go to Sister Barreclough and ascertain how much she has received for the support of the Elders and from what source or sources she had received anything.

Moved by Elder Clegg, seconded by Elder Wharton, that this Conference allow Sister Barreclough the sum of Ten Shillings per. week for the support of the Elders, reckoning from the time Elder Glover first went there to lodge.

Moved by Elder Wm. Memmott, seconded by Priest Wm. Lowe, that Elders Rowan, Roper, and J. Memmott form the aforesaid committee. Elder Roper refused to be one of such, whereupon it was resolved that Elder Wm. Memmott act in place of Elder Roper, as one of said committee. Carried.

The Committee appointed to find a proper place for Elder Rowan and family to reside at, reported that they had engaged with Bro. Shepherd for his parlour and bed-room for them at the rate of 3s. per. week. They had expended over three pounds in furniture for the same which Bro. Shepherd would allow to stand as so much paid for rent in advance.

Resolved that this council is satisfied with the foregoing report.

The Bills brought in against the conference (chiefly from clothiers, Tailors, and shoe Makers, for goods given to, and work done for, the Elders,) showed that the conference was in debt for such like to the sum of £24 9s. Out of this amount, Sister Barreclough had to receive £12 10s. 0d. for (according to the report of the committee, at a subsequent period,) the debt contracted at Sister Barreclough's by the Elders, at the rate of Ten Shillings per. week, amounted to £26 0s. 0d., of which she had received £13 10s. 0d., of that Elder John Parkin had paid in favour of the Sheffield branch £2 11s. 0d. and Elder Glover had paid £10 19s. 0d.

Moved by Elder John Memmott, and seconded by Elder Wm. Memmott, that Elder Rowan as president of this conference, receive from the same the sum of 15s. per week for the support of himself and family Carried.

Moved by Elder Wharton, and seconded by Priest Lowe, that this council acknowledge the debts just laid upon the conference. Carried.

Moved by Elder John Memmott, and seconded by Elder Wharton, that a levy of nine pence a head be laid upon all the members composing this conference for the liquidation of the debts now laid upon the conference. Carried.

Moved by Elder Bunker, and seconded by Elder Rowan, that the levy be paid in by the 12th of February next. Carried.

First Quarter ending March 26th, 1854.

On Saturday Evening, 25th March, the Presidents of Branches and other Officers assembled according to appointment in the Devonshire Lane School Room, Sheffield, and past the following resolutions:—

1st. That our Conference allotment, for the Temple Fund, be raised by a VOLUNTARY SUBSCRIPTION, in all the Branches composing this Conference, and that it be got up by six months from this time.

2nd. That Elder Thomas Frost, of Pilley, be released from the Presidency of the Mappleton branch, the distance (8 miles) being too great for him to walk to it.

3rd. That Elder Robert Dransfield, residing in Burnley, takes to the presidency of the Mappleton branch.

4th. That Elder Thomas H. Ponton be granted his desire in being released from the presidency of the Calver branch, as the distance from Sheffield, (12 miles,) is too far for him to walk to it.

5th. That Elder John Lee, of Sheffield, take to the presidency of the Calver branch.

6th. That Priest, Jarvis Mansfield, of Sheffield, be ordained to the office of Elder, and that he labour in connection with Elder Lee, in the Calver branch; both of these brethren being willing to travel to that branch, and to do what they can to bless the few saints composing the same.

7th. That this Conference be divided into two districts, and that a travelling Elder be stationed in each district.

8th. That the Presidents of Branches stand alone responsible for their Branches to the Conference, instead of being amenable to, and under the direction of, other Elders acting as district Officers, as is the case at present.

9th. That Elder McDonald, who has been appointed to act as a travelling elder in this Conference, receive from the Conference fund sufficient money to purchase for himself a coat and vest, as he stands in need of them.

10th. That we solicit Elder S. W. Richards to discontinue sending more than four hundred numbers of the Star weekly, as we cannot sell any more than about that number.

11th. That Elders J. Memmott, and J. Perkins, and Priest J. Shepherd, on behalf of the Conference, and Elders Marsden and McDuff, on behalf of the Chesterfield Branch, act as a Committee for the investigation of the Chesterfield book account, as much confusion and dissatisfaction exist relative to the same.

In answer to a question from Elder Rowan, it was confirmed that George Horne, late of Bethelam Branch, had emigrated, taking with him Two Pounds Ten Shillings belonging to that Branch, for the rent of the Meeting room there. Elder Rowan would look after him. The branches, as a general thing, were in good standing.

Other little matters engaged the Council until half-past twelve, when it was dismissed with prayer.

SUNDAY 26th.

The meeting was opened with prayer at half-past 10 a.m., when all the authorities of the Church, from the Prophet Brigham Young, down to the Officers and Members of our own Conference, were unanimously approved of.

We had a good day. We had for our visitor—Elder Atwood, President of the Bradford Conference. A collection was made to defray the expenses of the day, which yielded £1 9s 7d. Adjourned until 26th June.

Second Quarter ending 25th June, 1854.

On Saturday Evening, 24th June, the President of Branches and other Officers convened according to previous appointment, in the Devonshire Lane School Room, to counsel upon the affairs of the Conference, and to adopt such measures as would conduce to the welfare of the Lord's work therein, when it was resolved:—

1st, That the Conference Fund, hitherto devoted to the support of the Pastor, President, and travelling Elders, shall hereafter go to the support of the Pastor and President alone, as it is unable to support the travelling Elders as well, and that a voluntary collection be made in each Branch throughout the Conference, on every first Sunday in the month, for the support of the travelling Elders, in the way of clothing, &c.

2nd, That we add another column to our Quarterly Report Sheet, in which to report the number of Members who are *lost*; that is, such as have removed away from the Branch to which they belong, and no one can tell where they are gone to; and scattered Members are to be considered those that are living at such a distance from the Branch to which they belong, that they but seldom or never come to meeting, and are of no positive benefit to the Branch. This was adopted agreeable to the counsel of Pastor Bunker.

3rd, That Elder Bunker receive £1 10s., and that Elder Rowan receive £3 from this Conference, in order to pay their expenses in attending the General Council to be held on the 26th inst., in London; and that a voluntary collection be made throughout the Conference to defray this expense.

4th, That the surplus of the money raised by the Nine-pence a-head Levy for Conference debt, go to make up for what is wanting for the Conference Register.

5th, That this Conference unite with the Bradford and Lincolnshire Conferences in presenting Elder Bunker with a first-rate watch.

Several Brethren were nominated to various offices, after which the Meeting was closed with prayer by Elder Rowan.

SUNDAY, 26th.

We had a good time. The Authorities were unanimously sustained, and several Elders addressed the meeting. Elder Elias Gardner met with us for the first time in Conference, having been lately sent among us as a travelling Elder. Elders M. Atwood and J. Parks were our visitors. Elder Rowan gave some seasonable instructions to the Officers, as to their being careful in the administering to the Ordinances of the Lord's-house; such as in Baptizing, *Consecrating*, *Ordaining* to Office, and administering the Sacrament of the Lord's Supper. As touching these things, he cited and read several passages from the *Book of Doctrine and Covenants*—He rejoiced in being able to see, that both the Statistical and Financial Report for the present Quarter show a decided improvement in the Conference, and exhorted the Members not to grow weary in well-doing. Elder Barker approved of the remarks made by the Brethren, and made some very good ones himself to close with. Adjourned until the 24th September next.

REPORTED.

2 Seventies, 1 High Priest, 64 Elders, 23 Priests, 34 Teachers, 23 Deacons, 715 Members, 13 Excommunicated, 2 Dead, 43 Baptized, 8 removed to Branches in the Conference, 5 received from Branches in the Conference, 9 removed to Branches out of the Conference, 38 received from Branches out of the Conference, 37 Scattered. THIRD QUARTER ENDING 24th SEPTEMBER, 1854.

According to previous appointment, the Presidents of Branches and others of the Priesthood met in the Devonshire Lane School Room, Sheffield, on Saturday evening, 23rd September.

President Rowan opened the Meeting with prayer, and the Presidents of Branches reported the standing of their Branches, the majority of which seemed to be in a healthy and prosperous condition. The following propositions were then unanimously approved of and carried:—

1st. That as the Catcliffe Branch is in a weak and scattered state, and as the Rotherham Branch wants strengthening, the Case St Branch shall be dissolved, and the Members composing it to be attached to the Rotherham Branch.

2nd. That the Austerliffe Branch be dissolved, and the Members composing the same be joined to the Sheffield Branch.

3rd. That Elders John Lee and Jarvis Mansfield be released from their labours in the Calver Branch, as it is too far for them to travel during the winter season, &c.

4th. That Priest Peter Heathcote, of the Calver Branch, be ordained an Elder, and preside over the Calver Branch.

5th. That the Holymoorside Branch be dissolved, and that the Members thereof be united to the Chesterfield Branch.

6th. That the Calver Branch be dissolved, and that the Members thereof be united to the Chesterfield Branch.

7th. That inasmuch as we have received rather more than what we owe for old book debt, those Branches that are deficient in the payment of this levy for such, be forgiven what they owe of that levy.

8th. That this Conference pay for Elder M'Donald, £5 10s., and for Elder Gardner, £3 10s. to the Office at Liverpool, which was borrowed at the Office by them on their arrival in the country from Great Salt Lake.

9th. That this Conference present President Samuel W. Richards with £5 worth of joiners' tools, on his leaving this country for his home in Great Salt Lake.

10th. That this Conference furnish a house for the President.

11th. That this Conference furnish Pastor Bunker with a suit of clothes.

12th. That this Conference furnish President Rowan with a suit of clothes. The Chesterfield District has given Elder M'Donald a good suit of clothes, and the Sheffield Branch has given a suit to Elder Gardner.

13th. That the Members of this Conference make a sacrifice of two days' wages each to pay for what we have voted away this evening; the first day's sacrifice to be made on the 3rd week from this time, and the 2nd one to be made on the 6th week from this time.

14th. That Elder John Parkin act as an assistant to the Conference Clerk, J. Mammatt, his duties being too multiplied and onerous.

15th. That Sister Rowan be allowed so much per week from each Branch, for the support of her house, and Pastor Bunker, President Rowan and the two travelling Elders be supported by the voluntary donations of individuals and Branches as they move among them.

Present.—1 High Priest, 4 Seventies, 21 Elders, 4 Priests, 5 Teachers, 2 Deacons.

SUNDAY, 24th.

The Meeting was opened at half-past ten a.m. in the Bath Saloon.

We had for Visitors, Elder Charles Smith, Pastor over the Nottingham, Derby, and Leicestershire Conferences; Elder George Bismwell, President of the Birmingham Conference; Elder Joseph Westwood, President of the Nottingham Conference; and Elder Hodgkinson, travelling Elder in the Leicestershire Conference.

The day was made highly interesting to the Saints assembled, by the able and worthy remarks made by the various Elders who addressed the Meeting; and one thing contributed in no small degree to the satisfaction and joy of the saints; namely, that notwithstanding how much we have been of late defrauded, and dilapidated by rangers in sacerdotal robes, and the heavy local expenditures we have had to sustain, we can now say, as a Conference, we are free of debt! *We owe no man anything!*

Resolved,—That the Conference pay the debt owing by the Rotherham Branch for room-rent—£3 10s. During the day all the Authorities of the Church were presented for the approval or disapproval of the Saints, and all were unanimously and enthusiastically approved of.—Adjourned until 24th December next.

REPORTED.

2 Seventies, 1 High Priest, 63 Priests, 37 Teachers, 21 Deacons, 699 Members, 30 Excommunicated, 3 Dead, 1 Emigrated, 14 Baptized, 11

FOURTH QUARTER ENDING 24th DECEMBER, 1854

On Sunday Evening, 23rd December, the Presidents of Branches and several other Officers of the Church, met in the Devon-shire Lane School Room to transact business for the Conference.

After the Meeting was duly opened with singing and prayer, and a few introductory remarks from the President and Pastor, the Brethren represented their respective Branches, the most of which Branches seemed to be in a very good condition.

RESOLUTIONS.

1st, That Elders T. O. Lee and John McDonald, be sent as a deputy from this Council to Brother Pickering, to see what he charges for Elder Gardner's board, lodgings, &c., while Elder Gardner has been at his house in a state of sickness, and to make a report of the same.

2nd, That we are satisfied with the manner in which the monies for the Conference debt have been disposed of.

3rd, That we have a General Report for the year 1854 drawn up and printed.

4th, That we uphold all the authorities of the Church.

5th, That we present Pastor Bunker, President Rowan, and Elder Gardner with testimonials each, expressive of the feelings of the Conference towards them for their labours while amongst us.

6th, That we also present Elder William Glover with a testimonial expressive of the feelings of the Conference towards him for his labours as a President of the same during the year 1853.

7th, That Elders J. Memmou, T. O. Lee, and A. Oakes, draw up the testimonials.

8th, Moved by Elder John McDonald, and seconded by Elder Joel Maxwell, That this Conference raise £100 to assist Elders Rowan and Gardner to emigrate, as they have been permitted so to do by the President of the Church in the British Isles.—Carried unanimously.

Dismissed with prayer by Elder McDonald.

SUNDAY 24th.

At half-past ten a.m. the Quarterly Conference meeting took place in the "Hall of Science," Pockingham Street, Sheffield. Present—Elder Little from the Office at Liverpool, Elder Edward Frost, the President of

the Leicestershire Conference, and who is appointed the President of the Sheffield Conference. The ordinary business of manifesting our willingness to uphold all the Authorities of the Church was attended to in a spirited manner.

Several Brethren were nominated to various offices for the Sheffield Branch. The Treasurer for the Temple Fund, William Brownlow, and the Treasurer for the P. Emigrating Fund, John Parkin, read over an account of these Funds, and as far as the Treasurers were concerned, the Conference was quite satisfied with their reports.

Elder Rowan bore testimony to the uprightness, honesty, and trustworthiness of Brothers W. Brownlow, John Parkin, and likewise John Memmott, as Treasurers of Funds for the Conference; whereupon these Brethren were unanimously sustained in their respective places.

Resolved,—That we uphold *everybody in their own places.*

Resolved,—That we close our subscriptions for the Temple Fund for the year 1854.

Resolved,—That the surplus money in the hands of Elder J. Memmott for Conference debts be held by him to meet any trifling incidental expenses brought upon the Conference.

Resolved,—That we gladly acknowledge the appointments of Chasery G. Webb in the Pastoral care of the Sheffield, Bradford, and Leeds-shire Conferences; likewise the appointment of Edward Frost to the Presidency of the Sheffield Conference.

Resolved,—That a collection be taken up in each Branch next Sunday for the benefit of Foreign Missions and Missionaries; the collections to be sent in to John Memmott, who shall remit the same to the Office at Liverpool.

Resolved,—That J. Memmott receive the Subscriptions for the emigration of Elders Rowan and Gardner.

Resolved,—That as to how the money collected for the emigration of Elders Rowan and Gardner is to be divided between them, it be left to the *Prisbiter*.

The Brethren who were Presidents of Branches, and others who showed, were called upon to commence the subscription, which they did in regular Mission fashion, and in a short time, fifty individuals subscribed £22 18s. 6d.

Elder Rowan said that he was sorry to be ashamed of the very little this Conference had done under his Presidency for the P. E. fund; no doubt but it was the multiplicity of other pressing business that we have had on hand all year that has occasioned this delinquency, but he hoped the presidents of branches would endeavour both by precept and example to obviate a recurrence of such a manifest defect to detract from the *pretty fair fame* of the Sheffield Conference.

The meeting was continued all day by the nature of the business, and the very edifying discourses of the elders who addressed it.

Present—2 High Priests, 2 Secretaries, 23 Elders, 16 Priests, 12 Teachers, 4 Deacons. After singing and prayer, the Conference was adjourned *sine die.*

REPORTED.

2 Secretaries, 1 High Priest, 46 Elders, 53 Priests, 33 Teachers, 21 Deacons, 669 Members, 43 Exp. communicated, 7 Dead, 9 Emigrated, 16 Baptized, 11 removed to branches in the Conference, 36 removed from branches in the Conference, 5 removed to branches out of the Conference, 14 received from branches out of the Conference, 15 Separated, 4 Lost—Total, 844.

MONDAY, 25th.

The Friendship met in the Devonshire Lane School Room at 11 a.m. according to appointment.

How the money was to be divided between Elders Rowan and Gardner was the chief business. On this several of the brethren expressed their minds. The consideration was—Elder Rowan had a wife and child to take with him; Elder Gardner was alone, but in a state of poor health, and between them there was a hundred pounds to be divided. Elder Little on being asked his opinion on the subject, said, that considering the matter as it stood, he would say that if it were said that Elder Rowan should have £40, and Elder Gardner £60 it would be about right, for he considered it would take more to take Gardner home than what it would to take Elder Rowan with his wife and child. Elder John McDonald suggested that Elder Rowan should have £30, and Elder Gardner £40. It was agreed that Elder Bunker should say how he thought it should be, and so let his word be the decision of the matter.

Elder Bunker said that he felt in his heart to do the matter right, and he would say the suggestion of Elder McDonald seemed to him about right, i.e., £60 for Elder Rowan, and £40 for Elder Gardner.

The deputation appointed to see Brother Pickering, reported that he would make no charge for the arrears weeks that Elder Gardner had been sick at his house, but they thought that as Brother Pickering had been out of work for some time, he should receive something, and Elder McDonald proposed that Brother Pickering receive £2 10s. from the district that Elder Gardner has been labouring in, and that the amount be advanced by the Conference Clerk, out of the Conference monies in his hand, until the district send it to him.

Resolved,—That this Conference give Elder Bunker £1 to assist him in Scotland, his new field of labour.

Resolved,—That skins of parchment be purchased out of the surplus money in J. Memm's hand for Conference purposes, wherein the testimonials for Elders Bunker, Rowan, Gardner, and Glover, shall be written.

The testimonials were read by Elder Oakes, and approved of by all present.

A fine party was held in the evening in the "Hall of Science."

The expenses incurred by the party for eatables and the

use of the Hall came to	£7	15	0
-------------------------------	----	----	---

The income amounted to	8	6	0
------------------------------	---	---	---

which was got up by a voluntary collection during the course of the entertainment.

It was announced that Elder Rowan would still take the charge of the Conference until the month of February, as Elder Frost would not be able readily to remove here until then, and that Elder John McDonald would travel all over the Conference, instead of being confined to the Chester-Field district as usual.
